Arrests

This section presents information on the number of arrests made by reporting law enforcement agencies in:

Los Angeles County

The information summarized in this section includes the number of arrests for different types of offenses, the race/ethnicity of arrestees, and the ages of arrestees. Information reported in this section comes from the California Department of Justice's *Online Arrest Data 2008-2020* file (https://openjustice.doj.ca.gov/data), and also appears in the annual *Crime in California* publication (https://oag.ca.gov/cjsc/pubs).

Two important caveats to keep in mind:

- the number of arrests represent the number of arrests made, not the number of individuals arrested (a person can be arrested more than one time)
- the reported arrest offense is the most serious offense (the one with the most severe possible sanction).
