

LAKE COUNTY SHERIFF'S OFFICE

MEMORANDUM

To : **Daryle McDaniel**
Board of State and Community Corrections

From : **Undersheriff Chris J. Macedo**
Lake County Sheriff's Office

Date : **May 18, 2016**

Subject : **2014 Byrne Memorial Justice Assistance Grant (JAG)**

The Executive Steering Committee met on May 17, 2016 to discuss the continued difficulties in administering the 2014 Byrne Memorial Justice Assistance Grant (JAG) because of ongoing staffing issues and the parallel program that the Lake County Probation Department is currently performing.

After the discussion was finished the Executive Steering Committee voted to return the 2014 Byrne Memorial Justice Assistance Grant (JAG) to the Board of State and Community Corrections.

I sincerely appreciate the Board of State and Community Corrections assistance in working with the Lake County Sheriff's Office throughout this process and I am hopeful that one day soon our ongoing staffing issues will be resolved and allow us the opportunity to participate in future programs such as this.
