**Summary:**

This agenda item requests the Board of State and Community Corrections (BSCC) approval of Tehama County's request for a change in project award schedule for the Tehama County Community Corrections Re-entry and Day Reporting Center.

**Background:**

At the January 16, 2014 BSCC meeting (attachment E-1) Tehama County received a conditional partial award of \$6,526,000 through the Senate Bill (SB) 1022 Adult Local Criminal Justice Facilities Construction Program, for the construction of a new 64-bed community corrections re-entry and day reporting center. The County originally requested \$20,000,000 for the full proposal.

On May 8, 2014, in Agenda Item D (attachment E-2), the BSCC approved Tehama County's request to extend the May 8, 2014 deadline for acceptance of conditional award to September 11, 2014.

On September 11, 2014 in Agenda Item C (attachment E-3) the BSCC approved Tehama County's request to extend the September 11, 2014 deadline for acceptance of conditional award to March 31, 2015.

Tehama County requests approval (attachment E-4) to extend the March 31, 2015 deadline for their partial award response until September 17, 2015 so that County staff may explore options for additional funds, which may be available in the future.
