**Regulation Revisions**

—  
**Good News! The revision of the regulation regarding QUARTERLY REPORTS (Section 303) has been approved. EFFECTIVE IMMEDIATELY, submittal of QUARTERLY REPORTS is no longer mandatory. An agency that has been found out of compliance will still be required to submit quarterly reports as directed by the Field Representative.**

**Along with the above mentioned regulation revision, the regulation changing the final date to submit a modification (Section 304) has been moved forward from April 30th to March 31st. This change allows us to send out the final quarter payments sooner.**

**The regulation changing certifications from 1 year to 2 years (Section 233) is expected to be approved by the end of February 2015.**

**Please contact your Field Representative if you have any questions.**
