WHEREAS, the Department, as lessee under the Ground Lease, and the Participating County intend to enter a Right of Entry for Construction and Operation (the “Right of Entry”) in substantially the form attached hereto as **Exhibit C** concurrently with the execution of the Ground Lease authorizing the Participating County to enter the Site for the purpose of constructing the Project on the Site (the Site and the Project, collectively, the “Facility”), as more particularly described herein; and

WHEREAS, concurrently with the execution of this Agreement, the BSCC and the

Participating County, with the consent of the Board and the Department, intend to enter into an agreement to assist in complying with BSCC's rules and regulations concerning jail construction for the AB 900 Jail Financing Program (the "BSCC Agreement"); and

WHEREAS, the Board intends to oversee and issue lease revenue bonds for the Project, subject to satisfaction of certain conditions and requirements of the Board, including but not limited to establishment of Project scope, cost and schedule; approval of preliminary plans; involvement in working drawings approval and authorization for the Participating County to request construction bids; requesting actions to be taken to obtain one or more interim loans in connection with the Project (the "Interim Loan") and, subject to section 1.3 below, the Board intends to issue and sell its lease revenue bonds to repay the Interim Loan and provide additional financing for the Project, as necessary (the "Bonds"); and

WHEREAS, prior to authorization by the Board of actions to be taken to provide for the Interim Loan, the Department shall have certified to the Board that the Participating County is a participating county as required by Section 15820.91 of the California Government Code and the BSCC shall have approved the Project in accordance with Section 15820.911 of the California Government Code; and

WHEREAS, in the event the Board is unable to issue the Bonds to finance the Project and the Interim Loan has been provided, the Department shall commit a sufficient amount of its annual support appropriation to repay the Interim Loan and any other interim financing costs associated with the Interim Loan.

NOW, THEREFORE, FOR AND IN CONSIDERATION of the mutual agreements of

the Parties set forth herein and other good and valuable consideration, the adequacy and sufficiency of which are hereby acknowledged by the Parties, and intending to be legally bound, the Parties hereby agree as follows:

ARTICLE 1

GENERAL

1.1 General Covenants, Acknowledgements and Agreements of the Parties.

(a) The Parties hereto acknowledge and agree that an authorization by the Board to request the Interim Loan and the issuance of the Bonds by the Board is done in reliance upon, among other things, the promise of the relevant Parties to execute, deliver and perform their respective obligations, as applicable, under the Site Lease, the Facility Lease, the Facility Sublease, a Tax Agreement and Certificate in a form satisfactory to the Board to be executed in connection with the issuance of the Bonds (the "Tax Certificate"), a Continuing Disclosure Agreement in a form satisfactory to the Board to be executed in connection with the issuance of the Bonds (the "Continuing Disclosure Agreement") and all related certificates, agreements or other documents, including an indenture and supplemental indenture, if any, authorizing the Bonds that the Chair or Executive Director of the Board or a duly authorized designee thereof may deem necessary or desirable to effectuate the sale of the Bonds. Such indenture, supplemental indenture, if any, the Site Lease, the Facility Lease, the Facility Sublease, the Tax Certificate and the Continuing Disclosure Agreement, are collectively referred to herein as the "Bond Documents."

(b) The Parties accept and agree to comply with, to the extent respectively applicable to them, all terms, provisions, conditions, and commitments of this Agreement, the Project Documents (as hereinafter defined) and the Bond Documents, including all incorporated documents, and that they will do and perform all acts and things permitted by law to effectuate the issuance of the Bonds.

(c) The Participating County, the Department and the BSCC agree and acknowledge that the Project is subject to approval and oversight by the Board and the State Department of Finance ("Finance") consistent with the policies and laws governing the expenditure of a State capital outlay appropriation.

1.2 Approvals, Consents and Actions Necessary to Maintain Eligibility in the AB 900 Jail Financing Program. The Participating County acknowledges its eligibility for Project financing pursuant to the AB 900 Jail Financing Program is subject to and contingent upon the following approvals, consents and actions by the Board and Finance;

(a) A determination by the Board that the Site meets the standard requirements for a site being leased in connection with the issuance by the Board of its lease revenue bonds;

(b) A determination by the Board that the Participating County match as set forth in Article 3 has been satisfied as required by the Law and the source of the Cash (hard Match (as hereinafter defined) and any associated security or terms related thereto has been

determined by the Board to be compatible with the financing of the Project pursuant to the AB 900 Jail Financing Program;

(c) The Board has established the scope, cost and schedule for the Project consistent with the Participating County's initial proposal submitted to the BSCC and the Participating County has agreed that the Project shall be constructed and completed in accordance with such Project scope, cost and schedule established by the Board, except to the extent any modifications thereof may be approved by the Board through the State's standard capital outlay process;

(d) The Board has approved the Ground Lease, the Right of Entry and the Facility Sublease;

(e) Both the Board and Finance have approved the Preliminary Plans for the Project. As used herein "Preliminary Plans" shall mean a site plan, architectural floor plans, elevations, outline specifications, and a cost estimate, for each utility, site development, conversion, and remodeling project, the drawings shall be sufficiently descriptive to accurately convey the location, scope, cost, and the nature of the improvement being proposed;

(f) Finance has approved the Working Drawings for the Project and authorized the Participating County to proceed with soliciting competitive bids for construction of the Project. As used herein "Working Drawings" shall mean a complete set of plans and specifications showing and describing all phases of a project, architectural, structural, mechanical, electrical, civil engineering, and landscaping systems to the degree necessary for the purposes of accurate bidding by contractors and for the use of artisans in constructing the project;

(g) The Department has provided the Board the certification required by Section 15820.91 of the California Government Code, which certification the Department intends to provide upon satisfaction of the required statutory and regulatory conditions;

(h) The Board has adopted a Resolution authorizing steps be taken to seek the Interim Loan together with declaring its intent to reimburse any such Interim Loan with the proceeds from the Bonds;

(i) A determination by the Board that it will receive with respect to the Bonds the normal and customary opinions and certificates delivered in connection with an issuance of lease revenue bonds by the Board; and

(j) The sale of the Bonds.

1.3 AB 900 Jail Lease Revenue Bond Financing. State financing for the AB 900 Jail Financing Program is predicated on the Board's ability to issue Bonds for the Project. The Board, acting in good faith, intends to authorize the request for the Interim Loan and, subject to approvals, consents, and actions set forth in section 1.2, to issue Bonds for the Project. As further protection for the Participating County, Finance, acting in good faith, will not approve the Participating County to proceed to bid until and unless the Board has approved the Project and secures interim or permanent financing for the State's share of the Project's costs. The Agencies

will make reasonable and good faith efforts to assist in gaining assurance that the Site, the Project, the Participating County's ultimate use of the Project and the Cash (hard) Match (as hereinafter defined) are developed and implemented in such a way to facilitate the financing of the Project through the issuance and sale of the Bonds.

Prior to the Board's authorization to request the Interim Loan, the Department shall have certified to the Board that the Participating County is a participating county as required by Section 15820.91 of the California Government Code and the BSCC shall have approved the design and construction of the Project in accordance with Section 15820.911 of the California Government Code.

Notwithstanding the Board's good faith efforts to authorize and provide financing for the Project, the State (including without limitation the Board, the Department, and the BSCC) shall not be obligated to issue Bonds for the Project or authorize the Interim Loan request upon the Board's good-faith determination that such financing is not feasible or appropriate, based upon any one or more of the following factors: the lack of suitability of the Project's configuration or site for lease revenue bond financing, local funding that is incompatible with the issuance of lease revenue bonds by the Board, adverse market conditions, adverse outcomes to legal challenges, inability to obtain access to the financial markets or inability to obtain reasonable rates, inability to receive opinions and certificates customarily delivered in connection with the issuance of lease revenue bonds, or another occurrence or state of affairs that would make it objectively infeasible or inappropriate for the Board to issue Bonds or authorize the Interim Loan request.

In the event the Board determines that it is not feasible or appropriate to issue Bonds or to authorize the Interim Loan request, the Participating County is not entitled to receive the Maximum State Financing (as hereinafter defined) or other State funding for the Project, and shall not receive reimbursement from the State for any Project costs. However, in the event the Board is unable to issue the Bonds to finance the Project and the Interim Loan has been provided, the Department shall commit a sufficient amount of its annual support appropriation to repay the Interim Loan and any other interim financing costs associated with the Interim Loan and all associated costs.

1.4 The Department and the BSCC Act as Liaison of the Board and Finance to the Participating County. The Parties hereto acknowledge that obtaining the approvals and consents of the Board and/or Finance and the provision of documents to the Board and/or Finance as set forth in this Article I and otherwise herein shall be a responsibility of the Department and the BSCC. The Department and the BSCC will act as liaisons between the Participating County and the Board and Finance, and on their own behalf and behalf of the Board and Finance, will work with the Participating County to obtain such consents and approvals, and to provide such documents to the Board and Finance, as applicable.

1.5 Representations and Warranties of the Participating County.

(d) The execution and delivery of this Agreement on behalf of the Participating County will bind and obligate the Participating County to the extent provided by the terms hereof.

(e) There exists no litigation or other proceeding pending or threatened against the Participating County that, if determined adversely, would materially and adversely affect the ability of the Participating County to consummate the transactions contemplated hereby or to perform its obligations hereunder.

(f) The execution and delivery of this Agreement and the Ground Lease, the Right of Entry, the BSCC Agreement and the Facility Sublease, the consummation of the transactions herein and therein contemplated and the fulfillment of or compliance with the terms and conditions hereof and thereof, will not conflict with or constitute a violation or material breach of or default (with due notice or the passage of time or both) under any applicable law or administrative rule or regulation, or any applicable court or administrative decree or order, or any indenture, mortgage, deed of trust, loan agreement, lease, contract or other agreement or instrument to which the Participating County is a party or by which it or its properties are otherwise subject or bound, or result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of the property or assets of the Participating County, which conflict, violation, breach, default, lien, charge or encumbrance might have consequences that would materially and adversely affect the consummation of the transactions contemplated by this Agreement, the Ground Lease, the Right of Entry, the BSCC Agreement or the Facility Sublease, or the financial condition, assets, properties or operations of the Participating County.

1.6 Representations and Warranties of the Board.

(a) Under the provisions of the State Constitution, the applicable State statutes, and applicable jurisprudence of the State, the Board has the power to enter into this Agreement, to be bound hereby, to consummate the transactions contemplated hereby and to perform its obligations hereunder.

(b) The Board has taken all actions and has obtained all consents necessary to enable the Board to enter into this Agreement, to be bound hereby, to consummate the transactions contemplated hereby and to perform its obligations hereunder.

bind and obligate the Board to the extent provided by the terms hereof.

1.7 Representations and Warranties of the Department and the BSCC.

(a) Under the provisions of the State Constitution, the applicable State statutes, and applicable jurisprudence of the State, the Department and the BSCC each have the power to enter into this Agreement, to be bound hereby, to consummate the transactions contemplated hereby and to perform its obligations hereunder.

(b) The Department and the BSCC have each taken all actions and have obtained all consents necessary to enable the Department and the BSCC to enter into this Agreement, to be bound hereby, to consummate the transactions contemplated hereby and to perform its obligations hereunder.

(c) The persons executing and delivering this Agreement on behalf of the Department and the BSCC have been duly authorized and empowered to do so.

(d) The execution and delivery of this Agreement on behalf of the Department and the BSCC will bind and obligate the Department and the BSCC to the extent provided by the terms hereof.

(e) There exists no litigation or other proceeding pending against the Department or the BSCC (with service of process having been accomplished) that, if determined adversely, would materially and adversely affect the ability of the Department or the BSCC to consummate the transactions contemplated hereby or to perform its obligations hereunder.

(f) The execution and delivery of this Agreement and the Ground Lease, the Right of Entry, the Site Lease, the Facility Lease, the BSCC Agreement and the Facility Sublease, the consummation of the transactions herein and therein contemplated and the fulfillment of or compliance with the terms and conditions hereof and thereof, will not conflict with or constitute a violation or breach of or default (with due notice or the passage of time or both) under any applicable law or administrative rule or regulation, or any applicable court or administrative decree or order, or any indenture, mortgage, deed of trust, loan agreement, lease, contract or other agreement or instrument to which the Department or the BSCC is a party or by which it or its properties are otherwise subject or bound, or result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of the property or assets of the Department or the BSCC, which conflict, violation, breach, default, lien, charge or encumbrance might have consequences that would materially and adversely affect the consummation of the transactions contemplated by this Agreement, the Ground Lease, the Right of Entry, the BSCC Agreement or the Facility Sublease, or the financial condition, assets, properties or operations of the Department or the BSCC.

1.8 Compliance with Terms and Conditions of the Project Documents. The Parties

agree to comply with all terms and conditions relating to the respective Party of this Agreement, the BSCC Agreement, the Ground Lease, the Right of Entry and all exhibits and schedules attached hereto and thereto relating to the Party (collectively, the “Project Documents”), as well as all applicable laws including, without limitation, the Law and those laws, regulations and guidelines set forth in the BSCC Agreement.

1.9 Conflicts Between Terms of Documents. In the event of any inconsistency in the Project Documents, except as otherwise provided herein, the inconsistency shall be resolved by giving precedence in the following order: 1) this Agreement; 2) the Ground Lease, 3) the BSCC Agreement and all exhibits and schedules attached thereto, and 4) the Right of Entry. In the event the Bonds are issued, any inconsistency between the Project Documents and the Bond Documents shall be resolved by giving precedence to the Bond Documents. To the extent the Parties mutually agree that a provision of a particular document should control with respect to an inconsistency between that document and another document or documents, notwithstanding the other provisions of this section, such provision shall control.

1.10 Indemnity. As required by Section 15820.911(d) of the California Government Code, the Participating County hereby agrees to indemnify, defend and save harmless the State, including but not limited to the Board, the Department and the BSCC, and each of their respective officers, governing members, directors, officials, employees, subcontractors, consultants, and agents (collectively, “Indemnitees”) for any and all claims and losses arising at any time out of the acquisition, design, construction, operation, maintenance, use and occupancy of the Project. The Participating County shall not be obligated to provide indemnity or defense where the claim arises out of the gross negligence or willful misconduct of the Indemnitees. These obligations shall survive any termination of this agreement.

1.11 Assignment or Subletting of the Facility.

(a) *Assignment of Rights and Interest under this Agreement*. Except as otherwise contemplated hereunder, the Participating County may not sublicense, assign, or otherwise confer upon any other person or entity its rights or interests under this Agreement, nor may the Participating County delegate any of its duties or responsibilities required by this Agreement, whether by operation of law or otherwise, without the express, prior written consent of the Agencies, the rights and obligations hereunder imposed being personal to the Participating County.

(b) *Assignment or Subletting of the Facility*. The Participating County and the Department hereby covenant and agree that none of the Ground Lease, the Facility Lease or the Facility Sublease nor any interest of such Parties thereunder shall be sold, mortgaged, pledged, assigned, or transferred by the Parties thereto by voluntary act or by operation of law or otherwise; provided, however, that the Facility may be subleased in whole or in part by the Participating County with the prior written consent of the Department and the Board to the form and substance of such sublease, which consent shall not be unreasonably withheld, and, provided further that, any such sublease shall be subject to the following conditions:

(i) Any sublease of the Facility by the Participating County shall explicitly provide that such sublease is subject to all rights of the Department and the Board under the Facility Sublease, including, the right to re-enter and re-let the Facility or terminate

such lease upon a default by the Participating County; and

(ii) At the request of the Department or the Board, the Participating County shall furnish the Department, the Board and the State Treasurer with an opinion of nationally-recognized bond counsel acceptable to the Board to the effect that such sublease will not, in and of itself, cause the interest on the Bonds to be included in gross income for federal income tax purposes.

(c) *Restrictions on Private Use of the Facility.* The Participating County acknowledges that its ability to assign or sublet the Facility is subject to the provisions of section 6.1.2 hereof.

1.12 Relationship of the Parties. The Parties hereto acknowledge and agree that, to the extent expressly provided in this Agreement, the relationship of the Participating County to the Agencies is that of an agent to the Agencies and that the Participating County is principally responsible for the acquisition, design, construction, maintenance, and operation of the Project. Other than as set forth herein, nothing in this Agreement shall create between the Participating County and any of the Agencies the relationship of joint venturers, partners or any other similar or representative relationship, and the Participating County shall not hold itself out as an agent (except as expressly provided herein), representative, partner, member or joint venturer of the Agencies. The Participating County shall not make for or on behalf of the Agencies, or subject the Agencies to, any contract, agreement, warranty, guaranty, representation, assurance or other obligation, which has not been approved in advance in writing by the applicable Agency. This Agreement is for the sole and exclusive benefit of the Parties hereto and their respective successors and assigns, and no third party (including without limitation the owners of the Bonds) is intended to or shall have any rights hereunder.

ARTICLE 2

TERM AND TERMINATION OF AGREEMENT

2.1 Term of Agreement. This Agreement shall commence on the Effective Date and shall terminate upon the later of (i) completion of the construction of the Project or (ii) if the Board issues the Bonds, execution and delivery of the Facility Sublease, unless terminated earlier as provided in section 2.2. The provisions of certain sections hereof as indicated by the express terms thereof will survive termination of this Agreement.

2.2 Termination of Agreement.

(a) *Termination by the State.* The Department or the BSCC, with the consent of the Board, or the Board may terminate this Agreement in the event any of the following occurs:

(i) The Participating County's breach of a material term of this Agreement, any Project Document or any Applicable Laws (as defined in the BSCC Agreement) provided the Participating County has not cured such breach in all respects within thirty (30) days from notice of said breach, which cure period may be extended for a reasonable time with the consent of the Agencies if the Participating County demonstrates that such additional time is

required to cure such breach in a diligent and commercially reasonable manner;

(ii) Substantive alteration of the Board approved scope, cost or schedule for the Project as set forth in **Exhibit A** without the prior written approval of the Board;

(iii) Failure to execute the Ground Lease or the Right of Entry;

(iv) Failure to provide the Participating County Funding (as hereinafter defined) when and as required under this Agreement, the Law or any Project agreement to which the Participating County is a party;

(v) In the event the Board determines the Participating County is no longer eligible for Project financing under the AB 900 Jail Financing Program as set forth in section 1.2 hereof; or

(vi) Termination of the BSCC Agreement as provided for in Article 1, Section C of the BSCC Agreement.

(b) *Termination by the Participating County.* The Participating County may, prior to the State providing any amount of financing, terminate this Agreement in the event any of the following occurs:

(i) The State's breach of a material term of this Agreement, any Project Document or any Applicable Laws (as defined in the BSCC Agreement) provided the State has not cured such breach in all respects within thirty (30) days from notice of said breach, which cure period may be extended for a reasonable time with the consent of the Participating County if the State demonstrates that such additional time is required to cure such breach in a diligent and commercially reasonable manner;

(ii) Failure of the State to execute the Ground Lease or the Right of Entry;

(iii) In the event the Board determines the Participating County is no longer eligible for Project financing under the AB 900 Jail Financing Program as set forth in section 1.2 hereof.

(c) *Agreement.* The Parties may terminate this Agreement by mutual agreement. The Agencies agree to terminate this agreement in the event that the Participating County determines it cannot proceed with the Project after initial construction bids are received, but before any construction contract is awarded.

(d) *Notice of Termination.* Prior to terminating this Agreement under the provisions of this Article 2, the Parties shall provide to each other, as applicable, at least thirty (30) calendar days written notice, stating the reason(s) for termination and effective date thereof.

(e) *No Impairment.* Nothing in this Article 2 in any way alters or limits the authority of the Agencies to withhold all or a portion of the Maximum State Financing (as hereinafter defined) in accordance with law or otherwise as permitted hereunder or any other

right or remedy available to the State at law or in equity for breach of this Agreement.

ARTICLE 3

COST SHARING OF THE PROJECT

3.1 Financing Eligibility of the Project.

(a) *General.* Subject to the terms and provisions hereof, the costs for design and construction of the Project shall be shared by the State and the Participating County with the State providing financing up to a maximum of _____ dollars (\$ _____) (“Maximum State Financing”) and the Participating County providing the Cash (hard) Match (as hereinafter defined) funding and the In-Kind (soft) Match (as hereinafter defined) funding (collectively, the “Participating County Funding” and together with other Participating County-borne project costs not included as the Participating County Funding and the Maximum State Financing, the “Total Project Costs”). Provided, however, that the Board may provide all or a portion of the Maximum State Financing for Project costs at its discretion as set forth herein. The sources for the Maximum State Financing shall be limited to the proceeds of the Interim Loan, and the proceeds of the Bonds. If Bonds are issued and sold, the proceeds will be used to repay the Interim Loan and to provide additional financing for the Project as appropriate. If the Bonds are issued and sold, in no event or circumstance shall the State or the Agencies be obligated to pay the Participating County under this Agreement or any other Project Document any amount in excess of the Maximum State Financing.

(b) *Cash (hard) Match.* Subject to all terms and provisions of this Agreement, the Participating County agrees to appropriate and spend cash (hard) matching funds for the Project as provided in the BSCC Agreement (“Cash (hard) Match”). **Exhibit E-1** is a detailed description of and certification related to the source or sources of the Cash (hard) Match and any associated security or terms related thereto as approved by the Agencies, which detail and assurance of has been deemed sufficient by the Board to determine that the use of such funds as the Cash (hard) Match is compatible with the financing of the Project pursuant to the AB 900 Jail Financing Program. Any modifications to the source or sources of the Cash (hard) Match or the associated security and terms related thereto as described in **Exhibit E-1** must be approved by the Agencies. The Participating County shall ensure that all Cash (hard) Match is encumbered prior to Finance approval of proceeding to bid the Construction Contract (as hereinafter defined).

(c) *In-Kind (soft) Match.* Subject to all terms and provisions of this Agreement, the Participating County agrees to provide in-kind (soft) match for the Project as provided in the BSCC Agreement (“In-kind (soft) Match”). The Participating County has provided in **Exhibit E-2** a detailed description of the In-kind (soft) Match for the Project as approved by the Agencies. Any modifications to the In-kind (soft) Match as described in **Exhibit E-2** must be approved by the Agencies.

3.2 Excess Project Costs. In no event shall any Project scope, cost, budget or schedule changes be authorized by the Participating County which would cause the amount of Total Project Costs to be exceeded unless the Participating County covenants to fund such excess with lawfully available funds and the Participating County first obtains the consent of the

Agencies. The Participating County is solely responsible for any and all cost, expenses or fees of the Project which exceed the Maximum State Financing and the Participating County covenants to use its best efforts to promptly appropriate sufficient amounts to cover such cost, expenses or fees. The Participating County waives any and all claims against any of the Agencies or the State in the event that Total Project Costs exceed the amount initially established by the Board.

3.3 Project Cost Savings. To the extent there exists Project cost savings during the Project the amount of such savings shall be applied first to the Participating County to the extent the Participating County has identified Participating County Funding in an amount more than required by the Applicable Laws (as defined in the BSCC Agreement). Thereafter, cost savings shall be shared by the State and the Participating County on a pro rata basis determined by the percentage of the total amount of Project costs financed by the State and the Participating County Funding, respectively. However, in no case may savings be applied to the Participating County that would (1) result in the State providing financing for activities other than eligible design and construction costs; or (2) result in the Participating County contributing less than the percentage of Total Project Costs required by the Applicable Laws.

ARTICLE 4

PROJECT SCOPE, COST AND SCHEDULE

4.1 The Project. See **Exhibit A** for a description of the scope, cost and schedule of the Project, including a narrative description of the Project, budgeted costs related to the Project and a schedule for completion of design and construction of the Project.

4.2 Modification of Project Scope, Cost or Schedule. No substantial change or other substantial modifications to the Project scope, cost or schedule may be made by the Participating County without prior written permission of Finance and recognition by the Board (“Scope Change”). Minor modifications to the project do not require Finance approval and Board recognition, but must be documented and reported on routine progress reports to the BSCC as set forth in the BSCC Agreement. Without limiting the foregoing, the Participating County shall notify the Department and the BSCC, and the Department shall in turn notify Finance and the Board upon any of the following events or circumstances that may constitute a Scope Change:

- (a) More than minor changes which affect the design, project configuration, cost or schedule of the Project;
- (b) A delay or change in the substantial completion or final completion dates for the Project;
- (c) A more than minor change to the design, location, size, capacity or quality of major items of equipment;
- (d) A change in approved budget categories, or movement of dollars between budget categories as indicated in the Board approved scope cost and schedule as identified in **Exhibit A**.

As used herein “substantial” is as defined in Section 6863 of the State Administrative

Manual. As used herein a minor change is any change which does not rise to the level of a substantial change as defined in Section 6863 of the State Administrative Manual. Finance shall determine whether any reported event or circumstance requires its approval and recognition or other formal action by the Board.

The Participating County agrees that it will give prompt notification in writing to the Department and the BSCC of the occurrence of any of the above events and promptly report, in writing, to the Department and the BSCC any modifications to the Construction Contract (as hereinafter defined) with respect to the Project. The Department will provide the aforementioned notices and reports to the Board. The Participating County agrees further that, for purposes of the immediately preceding clause (a) and (c), if unsure whether a particular change is minor it will discuss the appropriate characterization with the Department and the BSCC.

4.3 Excess Project Costs. In no event shall any scope, cost or budget changes be authorized which would cause the amount of Total Project Costs to be exceeded unless the Participating County covenants to fund such excess with lawfully available funds and with the consent of the Agencies and so appropriates such funding.

ARTICLE 5

BIDDING AND CONSTRUCTION PHASE OF THE PROJECT

5.1 Construction Covenant of the Participating County. The Participating County acting as agent of the Board and the Department, hereby covenants and agrees to provide and perform or cause to be performed all activities required to acquire, design and construct the Project on behalf of the Board in accordance with the Participating County's established policies and procedures for the construction of major capital projects such as the Project. The Participating County shall be responsible to contract for all pre-design, design and construction services, and shall manage the day-to-day design and construction of the Project. The Participating County shall cause the design and construction of the Project to be consistent with the requirements, limitations, and other terms of this Agreement, the other Project Documents, the Law and all Applicable Laws. The Participating County shall also manage all aspects of the development and construction of the Project in accordance with the Project Documents.

5.2 Procurement and Enforcement of Construction Contract. The Participating County shall follow and adhere to all pertinent bidding rules and policies applicable to Participating County construction projects of this type and size. If there is an ambiguity as to the applicability of certain contracting rules and/or policies to the Project, the Participating County will seek advice from its counsel, follow that advice and use its best efforts to enforce the general construction contract (the "Construction Contract") between the Participating County and the contractor selected by the Participating County.

5.3 Completion of the Project. The Participating County acknowledges it is obligated to undertake and complete the construction of the Project in compliance with all of the applicable terms and conditions of the Project Documents and the Participating County agrees to use its best efforts to cause the completion of construction of the Project in compliance with the applicable terms and conditions of such documents. The Participating County agrees to complete the Project in accordance with this Agreement and consistent with the scope, cost and schedule

established by the Board and attached hereto in **Exhibit A**, as such scope, cost and schedule may be modified with the approval of Finance and the recognition of the Board.

5.4 Project Access. To the extent not inconsistent with the Bond Documents, at all times during construction of the Project and after final completion, the Participating County shall provide to employees, subcontractors, and consultants of the Agencies reasonable unrestricted access to observe, monitor and inspect the Project. The Agencies' access to observe, monitor and inspect shall include the right to review all documents and files relating to the Project, as well as construction on the Site, including all tests and inspections relating to design or construction of the Project.

5.5 Insurance.

(a) Insurance Obligations of the Participating County.

(i) Requirements during construction. Not later than the start of construction, and continuing through completion of construction of the Project, the Participating County, at its own cost and expense, shall secure and maintain or cause to be secured and maintained (i) fire, lightning and extended coverage insurance on the Project, which initially may be in the form of a builder's risk policy providing coverage in an amount not less than the construction costs expended for the Project and, if no builder's risk insurance is in effect, shall be in the form of a commercial property policy in an amount equal to one hundred percent (100%) of the then current replacement cost of the Project, excluding the replacement cost of the unimproved real property constituting the Site (except that such insurance may be subject to a deductible clause not to exceed [five hundred thousand dollars (\$500,000) or two million five hundred thousand dollars (\$2,500,000)] for any one loss), and (ii) earthquake insurance (if such insurance is available on the open market from reputable insurance companies at a reasonable cost) on any structure comprising part of the Project in an amount equal to the full insurable value of such structure or the amount of the attributable portion of the Interim Financing, whichever is less (except that such insurance may be subject to a deductible clause not to exceed [five hundred thousand dollars (\$500,000) or two million five hundred thousand dollars (\$2,500,000)] for any one loss). The extended coverage endorsement shall, as nearly as practicable, cover loss or damage by explosion, windstorm, riot, aircraft, vehicle damage, smoke, vandalism and malicious mischief and such other hazards as are normally covered by such endorsement.

If such policy is expected to expire in accordance with its terms prior to execution of the Facility Sublease, the Participating County shall give written notice to the Agencies forty-five (45) days prior to the expected expiration date.

(ii) Requirements after construction completion. The Participating County, at its own cost and expense, shall secure and maintain or cause to be secured and maintained from an insurance company or companies approved to do business in the State and maintain after completion of construction and/or when placing the Project in operation, the following insurance coverage for the Project:

a. General liability insurance in an amount not less than one million dollars (\$1,000,000) per occurrence. Evidence of such insurance shall be on a General

Liability Special Endorsement form and should provide coverage for premises and operations, contractual, personal injury and fire legal liability;

b. By signing this Agreement, the Participating County hereby certifies that it is aware of the provisions of Section 3700, *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake self-insurance in accordance with the provisions of that Code, and that it will comply, and it will cause its subtenants and assignees to comply, with such provisions at all such times as they may apply during the term of this Agreement.

c. Auto insurance (written on ISO policy form CA 00 01 or its equivalent) with a limit of not less than one million dollars (\$1,000,000) per occurrence. Such insurance shall include coverage for all "owned," "hired" and "non-owned" vehicles or coverage for any auto.

(iii) Additional Insureds. The Participating County agrees that the Department, the Board, and the BSCC and their respective officers, agents and employees shall be included as additional insured in all insurance required herein.

(iv) Insurance Certificate. Any and all insurance policies related to the Project shall name the Board and the Department as additional insured parties and the Participating County shall deliver to the Agencies a certificate or certificates of insurance authorized by the insurers describing the insurance coverage and stating that it is in full force and effect.

(v) Self-Insurance. Notwithstanding any other provision of this Section, the Participating County may satisfy the insurance obligations hereunder by a combination of commercial insurance, formal risk pooling under the statutory provisions of the State, and/or a self-funded loss reserve in whatever proportions are deemed appropriate by the Participating County. The Participating County shall furnish the Agencies with a certificate or other written evidence of the Participating County's election to provide or cause to be provided all or part of its coverage under a risk pooling, risk retention, or self-insurance program or any combination thereof.

(b) Insurance Obligations of the Department. If the insurance required in (a)(i) expires in accordance with its terms prior to execution of the Facility Sublease, the Department shall, at its own cost and expense, procure and maintain or cause to be procured and maintained (i) property casualty insurance in an amount equal to one hundred percent (100%) of the then current replacement cost of the Project, excluding the replacement cost of the unimproved real property constituting the Site (except that such insurance may be subject to a deductible clause not to exceed [five hundred thousand dollars (\$500,000) or two million five hundred thousand dollars (\$2,500,000)] for any one loss), and (ii) earthquake insurance (if such insurance is available on the open market from reputable insurance companies at a reasonable cost) on any structure comprising part of the Project in an amount equal to the full insurable value of such structure or the amount of the attributable portion of the Interim Financing, whichever is less (except that such insurance may be subject to a deductible clause not to exceed [five hundred thousand dollars (\$500,000) or two million five hundred thousand dollars (\$2,500,000)] for any one loss). The extended coverage endorsement shall, as nearly as practicable, cover loss or damage by explosion, windstorm, riot, aircraft, vehicle damage, smoke, vandalism and malicious

mischief and such other hazards as are normally covered by such endorsement. The property casualty insurance shall be in a form satisfactory and with carriers which are acceptable to the Board.

(c) Disposition of Insurance Proceeds. The Participating County agrees and acknowledges that the Board, in its sole discretion, may elect to use the proceeds of insurance procured pursuant to this Agreement to repay the Interim Loan and related costs. However, in the event of (i) damage or destruction of the Project caused by the perils covered by the insurance procured pursuant to this Agreement and (ii) if the Board elects to repay the Interim Loan and related costs, and (iii) if any insurance proceeds remain after the Interim Loan and related costs have been repaid, and (iv) such remaining insurance proceeds are distributed to the Department, then the Department agrees to distribute such remaining proceeds to the Participating County.
