SUBJECT: Assembly Bill 900 Phase II (Local Jail Construction Financing Program) Yolo County Requesting Scope Change: **Requesting Approval**

Summary

This agenda item requests that the Board of State and Community Corrections approve Yolo County's request for a scope change to expand the square footage of its main jail project to include space that will allow for in-person visitation.

Background

The AB 900 Phase II lease revenue bond funding authority is \$870,074,000. Fifteen counties received conditional awards. At its January 16, 2014 meeting, the Board conditionally awarded Yolo County \$36,295,000 (Attachment D-1).

On March 26, 2018 the BSCC sent a letter to Yolo County requesting clarification of the project scope in light of the enactment of Penal Code section 4032(b), which was added by Assembly Bill 103 (Chapter 17, Statutes of 2017) and subsequently amended by Senate Bill 112 (Chapter 17, Statutes of 2017). It states that "A local detention facility that offered in-person visitation as of January 1, 2017, may not convert to video visitation only." (Attachment D-2)

On April 12, 2018 Yolo County sent a letter to the BSCC seeking modifications to its original scope by adding space for both video and in-person visitation so that the county will remain in compliance with the statute (Attachment D-3).

Recommendation/Action Needed

Staff recommends the Board approve the Yolo County AB900 phase II scope change to include additional space that will allow for in-person visitation.
