PART I: GRANT INFORMATION

Grant Program Background

The Youth Reinvestment Grant (YRG) program was established in the 2018 Budget Act (Senate Bill 840, Chapter 29, Statutes of 2018) and the related trailer bill (Assembly Bill 1812, Chapter 36, Statutes of 2018). The YRG program is aimed at diverting young people who commit low-level offenses from initial contact with the juvenile justice system. The Tribal component of the YRG Program is specifically for Indian tribes to implement diversion programs for Indian children that use trauma informed, community-based, and health-based interventions. Funding priority must be given to diversion programs that address the needs of Indian children who experience high rates of juvenile arrests, high rates of suicide, high rates of alcohol and substance abuse, and average high school graduation rates that are lower than 75 percent.

Funding for the YRG Tribal Youth Diversion Program is \$1,119,000.

Contact Information

This Request for Proposals (RFP) provides the information necessary to prepare a proposal to the BSCC for grant funds available through the YRG Tribal Youth Diversion Program.

The BSCC staff cannot assist the applicant or its partners with the actual preparation of the proposal. Any technical questions concerning the RFP, the proposal process, or programmatic issues must be submitted by email to: YouthReinvestmentGrant@bscc.ca.gov.

The BSCC will accept and respond to questions about this RFP until March 29, 2019. Frequent questions and answers (FAQs) concerning the BSCC's RFP process and the YRG Tribal Youth Diversion Program application for funding will be posted on the BSCC website and updated periodically through March 29, 2019.

Proposal Due Date and Submission Instructions

Applicants must submit one original signed Proposal and one electronic copy of the original signed Proposal.

The Proposal must be received by the BSCC by **5:00 p.m. on March 29, 2019**.

1. Mail one original signed Proposal to the following address:

Board of State and Community Corrections
 Corrections Planning and Grant Programs Division
 2590 Venture Oaks Way, Suite 200
 Sacramento, CA 95833
Attn: YRG Tribal Youth Diversion Program

2. Email one legible electronic copy of the signed Proposal to: YouthReinvestmentGrant@bscc.ca.gov. Acceptable formats include Microsoft Word, Microsoft Word Open XML Format Document, Portable Document Format (PDF) or Google Docs.

Note: While the BSCC expects both the original hard copy and electronic version to be received by the date and time listed above, the application will not automatically be disqualified so long as either the hard copy or electronic version is received by the due date and as long as both are received in a reasonable time and are identical.

If the BSCC does not receive either the original hard copy or the electronic version until after the due date and time, the proposal will not be considered, regardless of postmark date.

Grant Program Description

The purpose of this grant program is to divert Indian children from entering, or furthering their involvement in, the juvenile justice system. Funded grant programs will use trauma-informed, community-based, and wellness-based interventions to deliver diversion programs and/or services to Indian children in communities where there are:

- High rates of juvenile arrests;
- High rates of suicide;
- High rates of alcohol and substance abuse; and
- Average high school graduation rates that are lower than 75 percent.

Eligibility

Eligible applicants are federally recognized Indian tribes in California. The current list, as published by the U.S. Department of Interior, Bureau of Indian Affairs, is attached as Appendix A.

Based on the limitations of available data regarding Indian children and feedback from subject matter experts on the Tribal Advisory Group, all federally recognized tribes in California are presumed to meet the criteria noted above of experiencing high rates of juvenile arrests, high rates of suicide, high rates of alcohol and substance abuse, and lower than average high school graduation rates. Consequently, this criteria for funding priority has already been met by all eligible applicants.

Applicants may submit more than one (1) proposal for funding. This could include multiple individual proposals with different scopes of work or could include an applicant that submits an individual proposal as well as a proposal as part of a regional effort. All applications submitted under a regional efforts basis must meet the following criteria:

1. A single tribe from a regional application must be listed as the “lead” applicant; and
2. Every tribe involved in the regional proposal must submit a resolution from its Tribal Council indicating its support of the regional effort and identifying its roles and responsibilities relative to the grant.

Criteria for All Non-Governmental Organizations

Any non-governmental organization (NGO) that receives YRG Tribal Youth Diversion Grant Program funds (as either a direct grantee, subgrantee, or subcontractor) must:

- Have been duly organized, in existence, and in good standing by July 1, 2018¹ or for at least six months prior to receiving YRG Tribal Youth Diversion Grant funds;
- Be registered with the California Secretary of State’s Office, if applicable;
- Have a valid business license, Employer Identification Number (EIN), and/or Taxpayer ID (if sole proprietorship);
- Have any other state or local licenses or certifications necessary to provide the services requested (e.g., facility licensing by the Department of Health Care Services), if applicable; and
- Have an address.

All applicant tribes must submit Appendix B, Criteria for NGOs receiving YRG Tribal Youth Diversion Grant Funds as part of the completed RFP package to document the compliance of any NGOs identified as partners in the proposal. All tribal grantees must submit updated Appendix B throughout the life of the grant agreement for any additional NGOs that may be awarded YRG Tribal Youth Diversion Grant funds through subcontracts after awards are made. The BSCC will not reimburse for costs incurred by NGOs that do not meet the BSCC’s requirements.

Letter of Intent

Applicants interested in applying for the YRG Tribal Youth Diversion Program are asked, but not required, to submit a non-binding Letter of Intent. These letters will aid the BSCC in planning for the proposal review process.

There is no formal template for the letter, but it should include the following information:

- Name of the Applicant Tribe,
- A brief statement indicating the Tribe’s intent to submit a Proposal, and
- Name of contact person.

Failure to submit a Letter of Intent is not grounds for disqualification. Further, prospective Applicants that submit a Letter of Intent and decide later not to apply will not be penalized.

¹ NGOs that have recently reorganized or have merged with other qualified NGOs that were in existence prior to July 1, 2018 are also eligible, provided all necessary agreements have been executed and filed with the California Secretary of State prior to March 29, 2019.

Please submit your non-binding Letter of Intent by **February 20, 2019** via email or U.S. mail, using one of the following submission options:

Email Responses: YouthReinvestmentGrant@bscc.ca.gov
(Subject line: Letter of Intent)

U.S. Mail Responses: Board of State and Community Corrections

Project Funding Information

Grant Period

Successful applicants will be funded for a three-year cycle with the first year of the grant cycle commencing on July 1, 2019 and the third year ending on June 30, 2022.

Funding Amount

A total of \$1,119,000 in state general funding is available statewide. There is no minimum or maximum amount of funding for which any single applicant may apply. Rather it is incumbent upon each applicant to fully and completely explain and justify the requested amount. Applicants are encouraged to request only the amount of funds needed to support their proposal and the amount that can be justified with supporting documentation/information. All applicants must build their proposal, objectives, activities, timelines, and budget information for all three years of the grant cycle.

Match Requirement

The YRG Tribal Youth Diversion Program does not require a match.

Supplanting

Supplanting is the deliberate reduction in the amount of federal, state, or local funds being appropriated to an existing program or activity because grant funds have been awarded for the same purposes.

Supplanting is strictly prohibited for all BSCC grants. BSCC grant funds shall be used to support new program activities or to augment existing funds which expand current program activities. BSCC grant funds shall not be used to replace existing funds.

It is the responsibility of the Grantee to ensure that supplanting does not occur. The Grantee must keep clear and detailed financial records to show that grant funds are used only for allowable costs and activities.

Project Evaluation Requirements

In addition to quarterly progress reports, projects selected for funding will be required to submit to the BSCC: (1) a Tribal Project Review Plan (three [3] months post-award) and, (2) a Three-Year Tribal Project Review Report (three [3] months after the conclusion of the grant). See Appendix C, Glossary of Terms, for key definitions related to project review.

Tribal Project Review Plan - The purpose of the Tribal Project Review Plan (TPRP) is to ensure that projects funded by the BSCC can be evaluated. Applicants will be expected to include a description of how they plan to determine the effectiveness of the proposed program in relation to each of its goals and objectives identified in the proposal. The TPRP should describe the approach that will be used to measure the outcomes of youth, with the project goals and the objectives clearly stated. Once submitted, any modifications to the TPRP must be approved in advance by the BSCC. More detailed instructions on the TPRP will be made available to successful applicants. See Appendix D for a sample of the review components.

Three-Year Tribal Project Review Report - Following project completion, grantees are required to complete a 3-Year Tribal Project Review Report (Review Report) which must be in a format prescribed by the BSCC. The purpose of the final Review Report is to learn whether the overall project was sufficient in meeting the goals laid out in the TPRP. To do this, the grantee must analyze and document the effectiveness of the activities that were implemented. These activities should have been identified in the previously submitted TPRP. More detailed instructions on the Review Report will be made available to successful applicants.

Applicants are encouraged to identify partners early on who may assist with implementation planning and project development and include them in the development of the proposal, to better ensure that the goals and objectives listed in the proposal are realistic and measurable. Implementation planning, oversight, and reporting activities may be funded by YRG Tribal Youth Diversion Program monies or other funds. The projected cost for these activities should be included within the proposed budget.

Bidder's Conference

Prospective applicants are invited – but not required – to attend a Bidders' Conference. The purpose of a Bidders' Conference is to answer technical questions from prospective bidders and provide clarity on RFP instructions. Details for the Bidders' Conference are listed below:

YRG Tribal Youth Diversion Program Bidder's Conference

Wednesday, February 13, 2019

10:00 a.m.

Board of State and Community Corrections

1st Floor Board Room

Sacramento, CA 95833

BSCC Executive Steering Committee Process

Youth Reinvestment Grant Program Executive Steering Committee

To ensure successful program design and implementation, the BSCC uses Executive Steering Committees (ESCs) and Advisory Groups to inform decision making related to the Board's programs. These committees are typically composed of subject matter experts and stakeholders representing both the public and private sectors. The BSCC makes every attempt to include diverse representation on its ESCs and Advisory Groups - in breadth of experience, geography, and demographics. ESCs are convened and approved by the BSCC Board, as the need arises, to carry out specified tasks including the development of RFPs for grant funds. When focused expertise is needed, ESCs establish Advisory Groups to work on specific matters. In such cases, Advisory Groups submit grant award recommendations to the ESC who, upon approval, forwards to the BSCC Board. The Board then approves, rejects, or revises those recommendations. Members of ESCs and Advisory Groups are not paid for their time but are reimbursed for travel expenses incurred to attend meetings.

The Youth Reinvestment Grant ESC includes subject matter experts on community engagement, trauma-informed care, youth diversion programs, prevention and intervention programs, mental/behavioral health, social services, law enforcement, including individuals who have been impacted by the justice, and/or child welfare systems. A list of ESC members can be found in Appendix E.

Tribal Advisory Group

Given the different statutory requirements for the YRG Tribal Youth Diversion Program, as well as the unique considerations necessary in developing a grant program for Indian tribes to provide services and programs for Indian children, the YRG ESC chose to establish a Tribal Advisory Group (TAG) and assign it the responsibility for developing the RFP for the tribal component of the Youth Reinvestment Grant.

Conflicts of Interest

Existing law prohibits any grantee, subgrantee, partner or like party who participated on the above referenced YRG Executive Steering Committee or Tribal Advisory Group from receiving funds from the YRG Tribal Youth Diversion Grants awarded under this RFP. Applicants who are awarded grants under this RFP are responsible for reviewing the

Youth Reinvestment Grant ESC membership roster, as well as the Tribal Advisory Group membership roster, and ensuring that no grant dollars are passed through to any entity represented by any member of the YRG ESC or the TAG.

Overview of the RFP Process

Confirmation of Receipt of Proposal

Upon submission of a proposal, applicants will receive a confirmation email from the BSCC stating the proposal has been received. The email will be sent to the individual who signed the application and the person listed as the Project Director.

Disqualification

The following will result in an automatic disqualification:

- The original hard copy or electronic version of the Proposal are not received by 5:00 p.m. on March 29, 2019.
- The applicant is not a federally recognized tribe in California.

“Disqualification” means the proposal will not be scored and therefore, will not be considered for funding under this grant.

Technical Compliance Review

It is the BSCC’s intent to avoid having otherwise worthy proposals eliminated from consideration due to relatively minor and easily corrected errors or omissions. Therefore, during the two weeks immediately following the proposal due date, BSCC staff will conduct a Technical Compliance Review (TCR) - a review to determine whether a proposal is in compliance with all technical requirements. Applicants may be offered a limited opportunity to respond to deficiencies identified during the technical review process by making non-substantive changes that bring the proposal into technical compliance.

Rating Process

Once a proposal passes the TCR, it will advance to the Proposal Rating Process. The Tribal Advisory Group will then read and rate each proposal in accordance with the prescribed rating factors listed in the table below.

The TAG members will base their scores on how well an applicant addresses the items listed under each rating factor within the Proposal Narrative and Budget Sections. Following the Proposal Rating Process, the TAG will convene for a Final Rater Review meeting where they will develop funding recommendations for consideration by the YRG ESC and then the BSCC Board.

At the conclusion of this process, applicants will be notified of the funding recommendations. It is anticipated the BSCC Board will act on the recommendations at its meeting on June 13, 2019. Applicant tribes and partners are not to contact members of the TAG, YRG ESC, or the BSCC Board to discuss proposals.

Rating Factors

The Rating Factors to be used and the maximum points assigned to each factor are shown in the table below. Applicants are asked to address each of these factors as a part of their proposal. The TAG assigned a percent value to each of the Rating Factors, correlating to its importance (see Percent of Total Value column).

YRG Tribal Youth Diversion Program Rating Factors and Point Values

	Rating Factors	Point Range	Percent of Total Value	Weighted Rating Factor Score
1	Program Need	1 - 5	35%	70
2	Program Description	1 - 5	50%	100
3	Data Collection/Evaluation	1 - 5	10%	20
4	Program Budget	1 - 5	5%	10
Maximum Rating Factor Score:			100%	200
Preference Points:				
Regional applications – consortium of tribes				5
Maximum Possible Score with Preference Points:				205

Raters will score an applicant's response in each of the Rating Factor categories on a scale of 1-5, according to the Sample Scoring Rubric shown below. Each rating factor score is then weighted according to the "Percent of Total Value" column (determined by the TAG) associated with each Rating Factor to arrive at the final Weighted Score for each Rating Factor and then added together for a final overall proposal score.

Scoring Rubric for 1-5 Point Range

Poor 1	Fair 2	Satisfactory 3	Good 4	Excellent 5
The response addresses the criteria in a very inadequate way.	The response addresses the criteria in a non-specific or unsatisfactory way.	The response addresses the criteria in an adequate way.	The response addresses the criteria in a substantial way.	The response addresses the criteria in an outstanding way.

General BSCC Grant Requirements

Grant Agreement

Applicants approved for funding by the BSCC are required to enter into a Grant Agreement with the BSCC. Grantees must agree to comply with all terms and conditions of the Grant Agreement. See Appendix F for a sample contract (State of California: Contract and General Terms and Conditions).

The Grant Agreement start date is expected to be July 1, 2019. Grant Agreements are considered fully executed only after they are signed by both the Grantee and the BSCC. Work, services, and encumbrances cannot begin prior to the Grant Agreement start date. If a grantee chooses to incur costs for reimbursement, any work, services, and encumbrances which occur after the start date but prior to grant agreement execution have the potentiality of not being reimbursed. Grantees are responsible for maintaining their Grant Agreement, all invoices, records, and relevant documentation for at least three (3) years after the final payment under the contract.

Governing Board/Tribal Council Resolution

Applicants must submit a resolution from their governing board or tribal council addressing specified requirements as included in the sample Governing Board or Tribal Council Resolution, which can be found in Appendix G. Grant recipients must have a resolution on file before a fully executed grant agreement can be completed. A signed resolution is not required at the time of proposal submission, but applicants are advised that no disbursements or reimbursements will be made until the appropriate documentation has been received by the BSCC. Grantee resolutions must address all of the items as the sample in Appendix G but may be in a different format.

Audit Requirements

The BSCC reserves the right to call for a program or financial audit at any time between the execution of the grant agreement and three (3) years following the end of the grant period.

The Department of General Services, the Bureau of State Audits, or their designated representative shall have the right to review and to copy any records and supporting documentation pertaining to the performance of this grant.

Grantee Orientation Process

Following the start of the grant period, BSCC staff will conduct a Grantee Orientation in Sacramento (at a date to be determined later). The purpose of this mandatory session is to review the program requirements, invoicing and budget modification processes, data collection and reporting requirements, as well as other grant management and monitoring activities. Typically, the Project Director, Financial Officer, and Day-to-Day Contact must attend. Grant recipients may use YRG Tribal Grant Program funds for travel-related expenditures such as airfare, mileage, meals, lodging, and other per diem costs. Applicants should include anticipated travel costs in the budget section of the proposal under the "Other" category.

Funding Awards

The BSCC will disburse one-third of awarded funds within 45 days of the execution date set forth in the grant agreement to the grantee. The grantee shall agree to deposit grant funds into a banking account established by the grantee and the grant funds shall not be comingled with any other funds. Any interest earned on the account may only be used for allowable expenses during the grant period. Grantees shall only use grant funds for allowable costs and shall provide invoices and supporting documentation to the BSCC periodically or upon request. When a grantee expends 80% of the disbursed funds and has submitted the required documentation to the BSCC, and provided the grantee has met the other terms and conditions of the grant, the BSCC shall disburse an additional 1/3 of the award under the same terms and conditions. The final 1/3 of the award shall be disbursed after a grantee expends 80% of the total disbursed funds. Any unspent funds remaining at the end of the grant period must be returned to the BSCC.

The State Controller's Office (SCO) will issue the warrant (check) to the individual designated on the application form as the Financial Officer for the grant. Grantees must submit invoices to the BSCC on a monthly basis through the online process no later than 45 days following the end of each month. Grantees must maintain adequate supporting documentation for all costs claimed on invoices. BSCC staff will conduct on-site monitoring visits that will include a review of documentation maintained as substantiation for project expenditures.

Quarterly Progress Reports

Grant award recipients are required to submit quarterly progress reports to the BSCC. Progress reports are a critical element in BSCC's monitoring and oversight process. Grantees who are unable to demonstrate that they are making sufficient progress toward project goals and objectives and that funds are being spent in accordance with the Grant Award Agreement could be subject to the withholding of funds. Once grants are awarded,

BSCC will work with grantees to create custom progress reports. Applicable forms and instructions will be available to grantees on the BSCC's website. See Appendix H for a sample progress report.

Travel

Travel is usually warranted when personal contact by project staff is the most appropriate method of conducting project-related business. Travel to and from training conferences may also be allowed. The most economical method of transportation, in terms of direct expenses to the project and the employee's time away from the project, must be used. Projects are required to include sufficient per diem and travel allocations for project-related personnel, as outlined in the Grant Award, to attend any mandated BSCC training conferences or workshops outlined in the terms of the program.

Tribes

Tribes must use the California State travel and per diem policy, unless the Grantee's written travel policy is more restrictive than the State's, in which case it must be used. Reimbursement is allowed for the cost of commercial carrier fares, parking, bridge, and road tolls, as well as necessary taxi, bus, and streetcar fares.

Non-Governmental Organizations (NGOs)

An NGO receiving BSCC funds as a subgrantee must use the California State travel and per diem policy, unless the Grantee's written travel policy is more restrictive than the State's, in which case it must be used. Reimbursement is allowed for the cost of commercial carrier fares, parking, bridge, and road tolls, as well as necessary taxi, bus, and streetcar fares.

Units of Government

Units of government receiving BSCC funds as a subgrantee may follow either their own written travel and per diem policy or the State's policy. Units of government that plan to use cars from a state, county, city, district car pool, or garage may budget either the mileage rate established by the car pool or garage, or the state mileage rate, not to exceed the loaning agency rate.

Out-of-State Travel

Out-of-state travel is restricted and only allowed in exceptional situations. Grantees must receive written BSCC approval prior to incurring expenses for out-of-state travel. Even if previously authorized in the Grant Award, Grantees must submit to the BSCC a separate formal request (on Grantee letterhead) for approval. Out-of-state travel requests must include a detailed justification and budget information.

In addition, California prohibits travel, except under specified circumstances, to states that have been found by the California Attorney General to have discriminatory laws. The BSCC will not reimburse for travel to these states unless the travel meets a specific exception under Government Code section 11139.8, subdivision (c). For additional information, please see: <https://oag.ca.gov/ab1887>.

Debarment, Fraud, Theft, or Embezzlement

It is the policy of the BSCC to protect grant funds from unreasonable risks of fraudulent, criminal, or other improper use. As such, the Board will not enter into contracts or provide disbursements or reimbursement to applicants that have been:

1. debarred by any federal, state, or local government entities during the period of debarment; or
2. convicted of fraud, theft, or embezzlement of federal, state, or local government grant funds for a period of three (3) years following conviction.

Furthermore, the BSCC requires grant recipients to provide an assurance that there has been no applicable debarment, disqualification, suspension, or removal from a federal, state or local grant program on the part of the grantee at the time of application and that the grantee will immediately notify the BSCC should such debarment or conviction occur during the term of the grant contract.

The BSCC also requires that all grant recipients include, as a condition of award to a subgrantee or subcontractor, a requirement that the subgrantee or subcontractor will provide the same assurances to the grant recipient. If a grant recipient wishes to consider a subgrantee or subcontractor that has been debarred or convicted, the grant recipient must submit a written request for exception to the BSCC along with supporting documentation.

All applicants must complete Appendix I certifying they are in compliance with the BSCC's policies on debarment, fraud, theft, and embezzlement.

Compliance Monitoring Visits

BSCC staff will conduct periodic monitoring of each project to assess whether the project is in compliance with grant requirements and making progress toward grant objectives, and provide technical assistance as needed regarding fiscal, programmatic, evaluative, and administrative requirements. For your reference, a Sample Monitoring Visit Checklist is contained in Appendix J.

Use of Effective Programs and Data-Driven Approaches²

The BSCC is committed to supporting programs, practices, and strategies that are rooted in documented evidence that reduces youth risk factors and rates of recidivism but also based on participant characteristics, situations, and preferences

Applicants seeking funding through this grant process will be asked to demonstrate that services are linked to the implementation of practices and strategies supported by data. The following information is offered to help applicants in understanding the BSCC's broad view of data-supported practices and decision-making:

² Lowenkamp and Latessa, 2003, Lowenkamp, 2003; Lowenkamp & Latessa, 2005a; Lowenkamp and Latessa, 2005b; Center for Criminal Justice Research and the Corrections Institute at the University of Cincinnati, Correctional Program Checklist Assessment

Applicants seeking funding through this grant process are required to use data to drive conscientious decision-making in the development, implementation, and appraisal of their overall projects.

The BSCC is committed to supporting a focus on better outcomes in the criminal justice system and for those involved in it. For the purpose of this RFP, applicants should focus on the following three basic principles:

1. **Is there evidence or data to suggest that the intervention, service, or strategy is likely to work, i.e., produce a desired benefit?** *For example, was the intervention, service, or strategy selected by the project used by another entity with documented positive results? Is there published research/information on the intervention the project has chosen to implement showing its effectiveness? Is the intervention or strategy being used by another entity with a similar problem and similar target population?*
2. **Once an intervention, service, or strategy is selected, will you be able to demonstrate that it is being carried out as intended?** *For example, does this intervention, service, or strategy provide for a way to monitor quality control or continuous quality improvement? If this intervention, service, or strategy was implemented in another area, are there procedures in place to ensure the model is being closely followed (so the project is more likely to achieve similar desired outcomes)?*
3. **Is there a plan to collect data that will allow for an appraisal of whether the intervention, service, or strategy worked?** *For example, will the intervention, service, or strategy selected allow for the collection of data or other information so outcomes can be measured at the conclusion of the project? Are there or will there be processes in place to identify, collect, and analyze that data/information?*

Applicants are encouraged to develop an overall project that incorporates these principles but is tailored to fit the needs of the communities they serve. Plans to measure the effectiveness of a project should include the use of both qualitative and quantitative data/information. While quantitative data/information is based on numbers and mathematical calculations, qualitative data/information is based on written or spoken narratives. The purpose of quantitative data/information is to explain, predict, and/or control events through focused collection of numerical data, while the purpose of qualitative data/information is to explain and gain insight and understanding of events through collection of narrative data/information.

Applicants may find it helpful to review the information on evidence-based treatment practices in the Substance Abuse and Mental Health Services Administration's (SAMHSA) Guide to Evidence-Based Practices available at: www.samhsa.gov/ebpwebguide as well as in Appendix K of this RFP.

YRG Tribal Youth Diversion Grant Funds

(Page 1 of 2)

The YRG Tribal Youth Diversion Grant Program Request for Proposals (RFP) includes requirements that apply to non-governmental, community-based organizations that subcontract with the grantee to implement the proposal. Grantees are responsible for ensuring that all contracted third parties continually meet these requirements as a condition of receiving any YRG Tribal Youth Diversion Grant Program funds. The RFP describes these requirements as follows:

Any Non-Governmental Organization which receives YRG Tribal Youth Diversion Grant Program funds must:

- Have been duly organized, in existence, and in good standing as of July 1, 2018 or for at least six months prior to receiving YRG Tribal Youth Diversion Grant funds;
- Be registered with the California Secretary of State's Office, if applicable;
- Have a valid business license, Employer Identification Number (EIN), and/or Taxpayer ID (if sole proprietorship);
- Have any other state or local licenses or certifications necessary to provide the services requested (e.g., facility licensing by the Department of Health Care Services), if applicable.
- Have an address.

In the table below, provide the name of the Grantee and list all contracted parties.

			Yes <input type="checkbox"/> No <input type="checkbox"/>
			Yes <input type="checkbox"/> No <input type="checkbox"/>
			Yes <input type="checkbox"/> No <input type="checkbox"/>

Grantees are required to update this list and submit it to BSCC any time a new third-party contract is executed after the initial assurance date. Grantees shall retain (on-site) applicable source documentation for each contracted party that verifies compliance with the requirements listed in the YRG Tribal Youth Diversion Grant Program RFP. These records will be subject to the records and retention language found in Appendices A and C of the Standard Agreement.

Unless prior approval is obtained, the BSCC prohibits disbursement or reimbursement to any NGO that does not meet the requirements listed above and for which the BSCC does not have a signed grantee assurance on file.

Glossary of Terms

Diversion

Youth diversion is broadly defined as an approach that promotes positive youth development by relying on responses that prevent a young person's involvement or further involvement in the justice system. Diversion programs, which may follow a variety of different models, aim to divert youth from system engagement at the earliest possible point including school, police, probation, or prosecution.

For the purposes of the YRG Tribal Youth Diversion Grant Program, the definition of diversion also recognizes that services rooted in Native American culture in and of themselves constitute a diversion approach.

Health-Based

YRG Tribal Youth Diversion Programs must incorporate health-based interventions, with an emphasis on wellness-based approaches. As adapted from the World Health Organization's definition, "wellness" is defined for the purposes of this grant as a state of complete physical, mental, spiritual, and social wellbeing and not merely the absence of disease or infirmity.

Cultural Relevance

For the purposes of this grant, culturally relevant programs incorporate an awareness and understanding of, as well as a capacity to honor, the specific tribal customs, traditions and beliefs pertinent to the population being served. In a broader sense, cultural relevancy acknowledges the influence of the child's identity characteristics on the child's experience of the world and incorporates perspectives into the program's environment. These identity characteristics include racial/ethnic, gender, class, religion, educational, sexual orientation, gender identity, family heritage, disability, and any other identity the child communicates as important.

Any sub-grantee/sub-recipient that receives YRG Tribal Youth Diversion Grant funds must utilize programs, practices, and approaches that embed cultural relevancy.

Trauma-Informed

A Trauma-Informed approach in the diversion system is one in which all diversion partners should recognize and respond to the impact of traumatic stress and apply a trauma-informed approach that is designed to meet the individual needs of each child.

YRG Tribal Youth Diversion Programs must be based on trauma-informed interventions that incorporate historical trauma. Historical trauma refers to a complex and reflective trauma exposure over time and across generations by a group of people who share an identity, affiliation or circumstance.

Service Need Determination

In considering whether to provide diversion services to potential program participants, service providers receiving funding under this grant must use an approach that is trauma-informed, culturally relevant and developmental appropriate. Approaches could include, but are not limited to, surveys or interviews. Applicants must thoroughly explain and justify their proposed approach for deciding which youth will be selected or chosen for program participation. Every applicant must identify some methodology for determining whether a potential program participant would benefit from services and, if so, which specific services each youth is best matched with.

Tribal Project Review Plan and 3-Year Review Report³

3-Year Tribal Project Review Report⁴

The purpose of the 3-Year Tribal Review Report is to identify whether the program “worked” in terms of achieving its goals and objectives. Outcome measures are designed to answer the question: “What results did the program produce?” Examples of outcome measures could include:

- Results of pre/post surveys (e.g., improvements in the number of high school graduates).
- Implementation of programs aimed at reducing the number of referrals for alcohol and substance use.
- Changes in policies that improve Indian children access to culturally rooted services.

Goal versus Objective

Goals and objectives are terms in common use, sometimes used interchangeably because both refer to the intended results of program activities. Goals are longer-term than objectives, more broadly stated and govern the specific objectives to which program activities are directed.

In proposals, goals are defined by broad statements of what the program intends to accomplish, representing the long-term intended outcome of the program⁵.

Examples of goal statements⁶:

- To reduce the number of Indian Children who commit serious offenses.
- To reduce the number of Indian Children who exhibit a pattern of chronic offending.
- To divert Indian Children who commit nonviolent offenses from state juvenile correctional institutions.
- To restore the losses suffered by the victims of crimes.

Objectives are defined by statements of specific, measurable aims of program activities⁷. Objectives detail the tasks that must be completed to achieve goals⁸. Descriptions of objectives in the proposals should include three elements⁹:

- 1) Direction – the expected change or accomplishment (e.g., improve, maintain);
- 2) Timeframe – when the objective will be achieved; and
- 3) Target Population– who is affected by the objective.

Examples of program objectives¹⁰:

- By the end of the program, drug-addicted Indian Children will recognize the long-term consequences of drug use.
 - To place eligible Indian Children in an intensive supervision program within two weeks of adjudication to ensure their accountability and the community's safety.
- To ensure the Indian Children in this program carry out all the terms of the mediation agreements they have worked out with their victims by program completion.

Principles of Effective Intervention

During the past two decades, there has been renewed interest in examining correctional research. These efforts have been led by researchers such as Gendreau, Andrews, Cullen, Lipsey and others.¹¹ Much evidence has been generated, leading to the conclusion that many rehabilitation programs have, in fact, produced significant reductions in recidivism. The next critical issue became the identification of those characteristics most commonly associated with effective programs. Through the work of numerous scholars (Andrews et al., 1990¹²; Cullen and Gendreau, 2000¹³; Lipsey 1999¹⁴), several “principles of effective intervention” have been identified. These principles can be briefly categorized as the following:

All grant project expenditures (excluding Final Local Evaluation Report costs) and all obligated match contributions must be incurred by the end of the grant project cycle, June 30, 2022, and included on the final invoice due August 15, 2022. Project costs/match contributions incurred after June 30, 2022 will not be reimbursed/eligible for contribution.
- C. The Final Local Evaluation Report is due to the BSCC by September 30, 2022. Only those expenditures incurred solely for the completion of the Final Local Evaluation Report will be reimbursed during the Final Local Evaluation Plan Invoicing Periods (invoices 37-39, due dates listed above). All fiscal supporting documentation for expenditures related to the Final Local Evaluation Report must be submitted to the BSCC by the due date of the final invoice due on November 15, 2022.

- B. Under no circumstance will a budget item change be authorized that would cause the project to exceed the amount of the grant award identified in this Grant Agreement.

3. BUDGET CONTINGENCY CLAUSE

- A. This grant agreement is valid through Youth Reinvestment Grant Program funding generated from the General Fund. The Grantee agrees that the BSCC's obligation to pay any sum to the grantee under any provision of this agreement is contingent upon the availability of sufficient funding granted through the California Budget Act of 2018 (Senate Bill 840, Chapter 28, Statutes of 2018). It is mutually agreed that if the Budget Act of the current year and/or any subsequent years covered under this Grant Agreement does not appropriate sufficient funds for the program, this Grant Agreement shall be of no further force and effect. In this event, the BSCC shall have no liability to pay any funds whatsoever to Grantee or to furnish any other considerations under this Agreement and Grantee shall not be obligated to perform any provisions of this Grant Agreement.

EXHIBIT B
SAMPLE - BUDGET DETAIL AND PAYMENT PROVISIONS

- B. If Youth Reinvestment Grant Program funding is reduced or falls below estimates contained within the Youth Reinvestment Grant Program Request for Proposals, the BSCC shall have the option to either cancel this Grant Agreement with no liability occurring to the BSCC or offer an amendment to this agreement to the Grantee to reflect a reduced amount.
- C. If BSCC cancels the agreement pursuant to Paragraph 3(B) or Grantee does not agree to an amendment in accordance with the option provided by Paragraph 3(B), it is mutually agreed that the Grant Agreement shall have no further force and effect. In this event, the BSCC shall have no liability to pay any funds whatsoever to Grantee or to furnish any other considerations under this Agreement and Grantee shall not be obligated to perform any provisions of this Grant Agreement except that Grantee shall be required to maintain all project records required by Paragraph 6 of Exhibit A for a period of three (3) years following the termination of this agreement.

4. PROJECT COSTS

- A. The grantee agrees to comply with the provisions BSCC Grant Administration Guide requirements as posted on the BSCC website (currently the BSCC Grant Administration Guide July 2016) including any updated version that may be posted during term of the grant agreement. The BSCC will notify grantees whenever an updated version is posted. The BSCC Grant Administration Guide is available at <http://www.bscc.ca.gov/downloads/BSCC%20Grant%20Admin%20Guide%20July%202016.pdf>.
- B. The provisions of the BSCC Grant Administration Guide are incorporated by reference into this agreement and Grantee shall be responsible for adhering to the requirements set forth therein. To the extent any of the provisions of the BSCC Grant Administration Guide and this agreement conflict, the language in this agreement shall prevail.
- C. Grantee is responsible for ensuring that invoices submitted to the BSCC claim actual expenditures for eligible project costs.
- D. Grantee shall, upon demand, remit to the BSCC any grant funds not expended for eligible project costs or an amount equal to any grant funds expended by the Grantee in violation of the terms, provisions, conditions or commitments of this Grant Agreement.
- E. Grant funds must be used to support new program activities or to augment existing funds that expand current program activities. Grant funds shall not replace (supplant) any federal, state and/or local funds that have been appropriated for the same purpose. Violations can result in recoupment of monies provided under this grantor suspension of future program funding through BSCC grants.

5. PROMPT PAYMENT CLAUSE

- A. The BSCC may withhold all or any portion of the grant funds provided by this Grant Agreement in the event the Grantee has materially and substantially breached the terms and conditions of this Grant Agreement.
- B. At such time as the balance of state funds allocated to the Grantee reaches five percent (5%), the BSCC may withhold that amount as security, to be released to the Grantee upon compliance with all grant provisions, including:
- 1) submittal and approval of the final invoice;
 - 2) submittal and approval of the final progress report; and
 - 3) submittal and approval of any additional required reports.
- C. The BSCC will not reimburse Grantee for costs identified as ineligible for grant funding. If grant funds have been provided for costs subsequently deemed ineligible, the BSCC may either withhold an equal amount from future payments to the Grantee or require repayment of an equal amount to the State by the Grantee.
- D. In the event that grant funds are withheld from the Grantee, the BSCC's Executive Director or designee shall notify the Grantee of the reasons for withholding and advise the Grantee of the time within which the Grantee may remedy the failure or violation leading to the withholding.
