ONE-STOP-SHOP FOR RESOURCES

2022 Proud Parenting Grant Program

The intent of the Proud Parenting Grant Program is to support young parents who are or were involved in the juvenile systems and/or who are considered crossover youth within the child welfare system. This grant program assists participants and their children by supporting approaches that increase parenting knowledge, supports positive parent-child interactions, and improves co-parenting relationships. In addition, the grant helps to provide community linkages and encourages family centered activities to strengthen generational bonding.
