

Secure Youth Treatment Facilities Subcommittee

The Board of State and Community Corrections (BSCC) is seeking people interested in participating in a subcommittee of the Juvenile Regulations Revision Executive Steering Committee (ESC) Subcommittee on Secure Youth Treatment Facilities (SYTF) Regulations.

This Subcommittee will take direction from the [2022 Juvenile Titles 15 and 24 Regulations Revision Executive Steering Committee](#), review minimum standards in Titles 15 and 24 and create proposed regulations revisions that address the operations, design, or construction of SYTF facilities. All Subcommittee recommendations will be presented to the ESC for their consideration. Members of the Subcommittee will participate on a limited-term basis beginning in early 2023.

SYTF Subcommittee members will represent lived experience, relevant subject matter expertise, and California's diverse racial, ethnic, geographic, gender, and cultural perspectives.

Several significant factors should be considered before submitting a Statement of Interest. Subcommittee members must be available to attend scheduled meetings; participation as a Subcommittee member is uncompensated work; however, BSCC will reimburse members for travel and per diem expenses such as lodging, mileage, and meals. Subcommittee meetings are conducted as open meetings according to California's open meeting laws ([Bagley-Keene](#)).

Interested persons may submit a Statement of Interest to regulations@bscc.ca.gov, along with the following information:

- Name
- Title (if any)
- Organization you represent (if any)
- City and County where you/your organization are located
- Area of subject matter expertise
- Relevant professional, personal, or lived experience

Submitting a Statement of Interest is not a guarantee for participation. We will respond to your submission as soon as possible. Should you have any questions, please contact regulations@bscc.ca.gov. Thank you for your interest in participating on the SYTF Subcommittee.
