

Juvenile Justice Crime Prevention Act - Youthful Offender Block Grant  
 2019 Expenditure and Data Report  
 Due Date: October 1, 2019

On or before October 1, 2019, each county is required to submit to the Board of State & Community Corrections (BSCC) a report on its Juvenile Justice Crime Prevention Act (JJCPA) and Youthful Offender Block Grant (YOBG) programs during the preceding year. For JJCPA this requirement can be found at Government Code (GC) Section 30061(b)(4)(C) and for YOBG it can be found at Welfare & Institutions Code Section (WIC) 1961(c). These code sections both call for a consolidated report format that includes a description of the programs and other activities supported by JJCPA and/or YOBG funds, an accounting of all JJCPA and YOBG expenditures during the prior fiscal year, and countywide juvenile justice trend data.

Prior to submitting this report save the file using the following naming convention: "**(County Name) 2019 JJCPA-YOBG Report.**" For example, Yuba County would name its file "Yuba 2019 JJCPA-YOBG Report".

Once the report is complete, attach the file to an email and send it to: **JJCPA-YOBG@bscc.ca.gov**. All reports will be posted to the BSCC website. We encourage you to review your report for accuracy before sending it to the BSCC. Please do **NOT** change the report form to a PDF document.

**Government Code Section 30061(b)(4)(C)(iv) & WIC Section 1961(c)(3)**

Provide a summary description or analysis, based on available information, of how the programs, placements, services, strategies or system enhancements funded by JJCPA-YOBG have, or may have, contributed to, or influenced, the juvenile justice data trends identified in this report.

Starting in 2013, Marin County developed a strategy designed to meet the needs of the high risk youth in our juvenile justice system. This strategy was primarily the result of the Marin County Probation Department's focus on ethnic disparities and the introduction of a system that utilized evidence-based principles. First and foremost, we have sought to emphasize work with high risk youth, and seek to divert any youth who are assessed to be at low risk for recidivism (using the PACT assessment instrument paid for using YOBG funding). Secondly, since a disproportionate percentage of youth referred to juvenile justice in Marin County are youth of color, there has been an emphasis on both developing new programs and modifying old ones to meet the needs of this population. Some examples of this effort are found in programming funded through YOBG-JJCPA grants. A large percentage of the YOBG funds are allocated to services for Latino youth, including a mentoring program, a youth leadership effort and a restorative justice intervention designed to keep first time offenders from recidivating. A portion of JJCPA funds are being used to operate a jobs program that provides assistance to youth interested in employment. In addition, YOBG funds are being allocated to support an education specialist who works with probation youth to improve their outcomes at school. Since this strategy was introduced, there has been a reduction of approximately 30% in misdemeanor and felony referrals to the Probation Department.
